Dear Sir/Madam,

On behalf of iranGrain organizational committee and Iran-Switzerland Chamber of Commerce. We are pleased to invite you to our inaugural conference in Tehran on 2nd and 3rd of December 2019.

“iranGrain” is the largest gathering of global grain and oilseeds community that are working and are interested in the Iranian market bringing together government and private sector actors under one roof for two very informative and insightful days.

We have over 60 years of grain, oilseeds, and related industries experience within the organization with deep understanding of the Iranian market needs, governmental regulations and sanctions regulations. Our events and publications will fill the information void on the Iranian market and we hope our delegates will leave our events with more than they started with, whether that’s a new contact, insight from one of our speakers, or the chance to share their ideas with fellow grain and oilseeds professionals.

The aim of the conference will be to bring together all global and local players in the grain and oilseeds community to share market knowledge and create a vibrant networks within Iran and internationally.
